

North Delta Soccer Club
Sponsorship Package 2015/2016
Fall & Spring Season

Why Sponsor North Delta Soccer Club?

As a sponsor, your company will gain recognition from a large network of families and sports organizations locally and throughout the Greater Vancouver Regional District. The North Delta Soccer Club consists of many "travel" teams, which provide a great deal of advertising exposure by participating in games and tournaments throughout the lower mainland. Further, teams from these same areas participate in league games and Tournaments at our Delsom and Mackie turf facilities. On average we have over 80 teams, with each team practicing and playing games each week from September through to June. As you can imagine the exposure through sponsorship can be immense.

We are extremely grateful for sponsorship funding and will make sure our funding partners are well recognized. This is an opportunity to feature your business as an active supporter of youth sport in our community and beyond.

We want to provide businesses of all sizes the opportunity to be a part of North Delta Soccer Club. We offer multiple tiers of sponsorship levels that are outlined in this package. Our sponsorship year runs from September 1st, 2015 to June 30th, 2016. These dates coincide with our Fall and Spring soccer programs. The executive will consider all applications and reserve the right to exclude any application not deemed to represent the interest of the Club.

Below is a brief description of sponsorship opportunities. See each package on the following pages for specific details on size etc.

Signage-Signs/ Banners will be placed at the Delsom and Mackie facilities during our Fall and Spring seasons as well as our Academy which runs each Friday night for both Seasons with exposure to individuals attending practices, games, camps, academy, and tournaments.

Web site - We will prominently display your name and logo on our web site and Facebook pages. These get hundreds of hits each day. We will also feature your company at least on month on our home page with a write up about your company and the services it offers.

Jerseys – We are currently working on a program to have a major sponsor with their logo placed prominently on our jersey fronts from U11 through U18. We will be finalizing this program by February/2016 and it will be ready for the fall 2016 Season.
